Ground Control to Major Tom  
Ground Control to Major Tom  
Take your protein pills and put your helmet on

(ten) Ground Control (nine) to Major Tom (eight)  
(seven) (six)  
Commencing (five) countdown, engines on (four)  
(three) (two)  
Check ignition (one) and may God's love (lift off) be  
with you

This is Ground Control to Major Tom  
You've really made the grade  
And the papers want to know whose shirts you wear  
Now it's time to leave the capsule if you dare

"This is Major Tom to Ground Control  
I'm stepping through the door  
And I'm floating in a most a peculiar way  
And the stars look very different today

For here  
Am I sitting in a tin can  
Far above the world  
Planet Earth is blue  
And there's nothing I can do

Though I'm past one hundred thousand miles  
I'm feeling very still  
And I think my spaceship knows which way to go  
Tell my wife I love her very much she knows"

Ground Control to Major Tom  
Your circuit's dead, there's something wrong  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you

"Here am I floating round my tin can  
Far above the Moon

Planet Earth is blue  
And there's nothing I can do".
