You got the look of a howlin' wolf, I like it  
The kind of eyes that could start a fire, yes I like it  
A streetwise dynamo, I switch you on and I watch you  
go  
A thrill to touch, you're so hot  
I'm comin' for you ready or not

I'm gettin' ready  
Livin' on the edge of a dream  
Gettin' ready - I'm gettin' ready  
Oh, switch on your lovin' machine

Tear it down - there's got to be a better way  
Tear it down - I can't wait another day  
Tear it down - there's got to be a better way  
Tear it down - if only you could stay  
All night long

Come on

I'm on fire, you'll all ice  
Once too much is twice as nice  
Get tough, fool's luck  
One bite and I'm hooked  
A black cat with a silver tongue  
A quick lick and you're gone  
One kiss, it hots up  
Too close ain't close enough

I'm gettin' ready  
Livin' on the edge of a dream  
Gettin' ready - I'm gettin' ready  
Oh, so switch on your lovin' machine

Tear it down - there's got to be a better way  
Tear it down - I can't wait another day  
Tear it down - there's got to be a better way  
Tear it down - if only you could stay  
All night long

I'm gettin' ready  
Livin' on the edge of a dream

Gettin' ready - I'm gettin' ready  
Come on, switch on your lovin' machine

Tear it down - there's got to be a better way  
Tear it down - I can't wait another day  
Tear it down - there's got to be a better way  
Tear it down - if only you could stay

Tear it down - there's got to be a better way  
Tear it down - I can't wait another day  
Tear it down - there's got to be a better way  
Tear it down - if only you could stay  
All night
