Crystalline and lace
Won't you walk me awhile
Put a smile upon my face
I don't wanna take your love in vain
Gonna keep on coming back again
Beauty leads the full grown child
A rose among the thorns
Like a ray of sunshine
She comes, heaven in my arms
When I see you smilin'
It takes away my pain
Oh, there's no denyin'
Can't keep away from the flame
A thousand Indian summers
Die in desert sands
The moon and lover's shadows
They go slippin' through our hands
I don't wanna take your love in vain
Gonna keep on coming back again
When I see you smilin'
It takes away my pain

Oh, there's no denyin'

Can't keep away from the flame

I don't wanna take your love in vain

Gonna keep on coming back again

When I see you smilin'

It takes away my pain

Oh, there's no denyin'

Can't keep away from the flame
