Hey
(Aaa)
(Aaa)
Yea, yea

Had your name all tattooed on my heart
'Cos God, how could this be wrong?
It's unbelievable, unbelievable
Just the picture of me left out
In this Hollywood Babylon
Was unbelievable, unbelievable
So let my greatest fear walk out the door
(Aaa)
This ain't what we're fightin' for
(Aaa)

You don't say that it's over
(Over)
Never thought this could die
But you speak without words
Makin' me feel so damn good
Bye
It's unbelievable

Girl, I picture how the ghost of you
Would follow me everywhere
It's undeniable, unbelievable
If I couldn't feel your velvet lips
Your fingers run through my hair
It's inconceivable, unbelievable
So let my greatest fear walk out the door
(Aaa)
This ain't what we're fightin' for

You don't say that it's over
(Over)
(Aaa)
Never thought this could die
But you speak without words
(Speak without words)
Makin' me feel so damn good
(Aaa)

Did you really think about it
What we could be missing
I find it so hard to believe
Yea, yea
Unbelievable
It's unbelievable, yea

You don't say that it's over
(Over)
(Aaa)
Never thought this could die
But you speak without words
(Speak without words)
Makin' me feel so damn good
(Aaa)

You don't say that it's over
(Over)
(Aaa)
Yea
Never thought this could die
Oh, but you speak without words
(Speak without words)
Makin' me feel so damn good, bye
Makin' me feel so damn good
Bye
Unbelievable
Yea
Unbelievable
