Well I've been lying awake all night just thinking of you
But a bottle of whiskey lies heavy obstructing my view
I've got a bottle of pills to give me my thrills
And I know I'm leading a life that kills

(Wasted)
I've wasted my time
(Wasted)
I'm shooting a line
(Wasted)
I'm stuck in a hole
(Wasted)
I'm losing control

I've been meaning to call, I've been wanting to phone
You see I don't like the thought of leaving you here
alone
Well I've seen things down here that are fit for a queen
I've seen things down here that should never be seen

(Wasted)
I've wasted my money
(Wasted)
I've wasted you honey
(Wasted)
I'm out of my brain
(Wasted)
I'm going insane

I'm running in thin air, there's nothingness everywhere
I've gotta get out
(Won't you help me?)
I've gotta get out
(Won't you help me?)
I've gotta get out, oh won't you help me get out?

Thought I saw you just the other day
But it couldn't be you 'cause you had nothing to say
He's going away, they told all my friends
Well now I'll be stuck in here 'til the misery ends

(Wasted)

I've wasted my time
(Wasted)
I'm shooting a line
(Wasted)
I'm out of my head
(Wasted)
I wish I was dead
