(Originally by McGuinness Flint)  
(Gallagher & Lyle)

Oh I love you baby

I love you night and day.  
When I leave you baby  
Don't cry the night away.  
When I die don't you write  
No words upon my tomb.  
I don't believe  
I want to leave no epitaph of doom.

Oh, oh, oh, oh  
When I'm dead and gone  
I want to leave some happy woman  
Living on.

Oh, oh, oh, oh  
When I'm dead and gone  
I Don't want nobody to mourn  
Beside my grave.

Old Mama Linda  
She's out to get my hide

She's got a shotgun  
And her daughter by her side.  
Hey there Ladies  
John son's free.  
Who's got the love  
Who's got enough  
To keep a man like me.

Oh, oh, oh, oh...
