In the beginning, God made the land
Then He made the water and creatures, then He made
man
He was born with a passion, love and hate
A restless spirit with a need for a mate
But there was somethin' missin', somethin' lost
So He came with the answer, here's what it cost
One part love, one part wild, one part lady, one part
child

I give you
(Women, women)
Lots of pretty women
(Men, men)
They can't live without them
(Women, women)
Lots of pretty women
(Men, men)
They can't live without them

And in the garden, lust began
The animal instinct, the wanton man
She fed him with a hunger, an appetite
And fillin' with emotion he took a bite
It was one part love, one part child
One part lover, one part wild

I give you
(Women, women)
Lots of pretty women
(Men, men)
They can't live without them
(Women, women)
Lots of pretty women
(Men, men)
They can't live without them

Skin on skin
Let the love begin
Women

It was one part love, one part wild

One part lover, one part child
A whole lotta fire, a little bit of ice
A whole lotta somethin' you can't sacrifice

(I give you)
Hair, eyes, skin on skin
(Legs)
Legs
(Thighs)
Thighs
What's that spell?
(Spell, what's that spell?)
(What's that spell?)
What's that spell?
(What's that spell?)
(Women, women)
Oh, oh, oh
Oh, oh, oh

(Women)
Women
(Women)
Callin' every girl
(Women women)
All around the world
(Women)
Women
(Women)
Oh, we can't live without them
(Women)
Women
