You say, "All I do is think about you"
That's right, you're the only thing that's on my mind
Your light, won't you let it shine on me, yeah?
All night, hold me tight and don't let go
'Cuz I can't help myself you know

(It's okay)
I know what I've got
(Alright)
I know that it's hot
(I'm good)
And you're what I like
(Alright)
You're so beautiful

(It's okay)
One thing on my mind
(Alright)
I'm so in love
(I'm good)
And so alive
(Alright)
You're so beautiful

Angels from the sky
The spark of my eyes
I came on your mind
Nah nah nah nah nah

Sometimes
You slip n' slide through my emotions
So high
Take me up and spin me round
'Cuz I don't want to come back down

(It's okay)
I know what I've got
(Alright)
I know that it's hot
(I'm good)
And you're what I like
(Alright)

You're so beautiful

(It's okay)
One thing on my mind
(Alright)
I'm so in love
(I'm good)
And so alive
(Alright)
You're so beautiful

Angels from the sky
The spark of my eyes
I came on your mind
Nah nah nah nah nah

So good
You're so beautiful

I came on your mind
Angels from the sky
The spark of my eyes
This miracle time
Nah nah nah nah nah

(It's okay)
I know what I've got
(Alright)
I know that it's hot
(I'm good)
And you're what I like
(Alright)
You're so beautiful

(It's okay)
One thing on my mind
(Alright)
I'm so in love
(I'm good)
And so alive
(Alright)
You're so beautiful

(It's okay)
You're under my skin
(Alright)
My head's in a spin
(I'm good)
Again and again
(Alright)
You're so beautiful

(It's okay)
I look in your eyes
(Alright)
I'm so in love
(I'm good)
And so alive
(Alright)
You're so beautiful

It's okay
It's alright
It's so good
It's alright
You're so beautiful

It's okay
It's alright
It's so good
It's alright
You're so beautiful
