Redman]
Ha Ha
Turn me up a little bit Haha
What'cha know about it
What'cha know about it
Uh Uh
I said a hip hop the hibbe
the hibbe to the hip hip a hop and ya don't stop
A rock on baby bubba to the boogety bang
bang the boogie to the boogety beat
Now what'chu hear is not a test I'm a rappin to the beat
It's just me the groove and my squad we gonna try to
move your feet
See I am the doctor spoc and I'd like to say hello
A to the black to the white the red and the brown
the purple and yellow
Well, first I gotta bang bang the boogie to the boogie
say up jump the boogie to
Bang bang boogie let's rock you don't stop
Rock the rhythm that'll make your body rock
Now, so far you heard my voice a but I brought 2
friends along
And next on the mic is my man E come on E sing that
song
(Ha Ha Ha Ha)
[Erick Sermon]
Well I'm imp the dip the ladies pimp
The womens fight for my delight
Cus im the grandmaster with the 3 MCs
That shocked ya house for the young ladies
And when ya come inside into the front
And you do the freak spank and you do the bump
But when a sucka MCs tryin to prove a point
They trust this trio and with this serious joint
And from sun to sun and from day to day
I sit back and write a brand new rhyme
Because they say that lyricals never cease
I created a devastated masterpiece
I'm gonna rock the mic 'til you can't resist
EVERYBODY! I said it goes like this
See I was comin home late one dark afternoon

Reporter stopped me for an interview
She said she heard stories and she heard fables
That I Mrs. On the mic and the turntables
This young reporter I did adore
Start rockin through this rhyme like I never did before
She said damn fly guy I'm in love with you
Said that casanova legs you musta been through
I said by the way baby what's your name?
She said I go by the name of Lois Lane
And you could be my boyfriend you truly can
Just let me cut my boyfriend called Superman
I said he's a fairy I do suppose
Flyin through the air in pantyhose
He may be very sexy or even cute
But he look like a sucka in a blue & red suit
I said I need a man who got finesse
and his whole name across his chest
He may be able to fly all through the night
But he can't rock a party through the early light
He can't satisfy you with his little worm
But I can bust you out with my Supersperm
I go do it - I go do it - I go do it - do it - do it
And I'm here and I'm there
And I'm big bad E and I'm everywhere
So just throw your hands up in the air
And party hard like you just don't care
And just do it and don't stop y'all
Tick a tock y'all and ya don't stop
[Keith Murray]
Well I'm the M - A - S - the T - E - R a G with the double E
I said I go by the unforgettable name
of the man they call the Keith Murray
Well my name is known all over the world
by all the foxy ladies and the pretty girls
I'm goin down in history
As the badest rapper there ever could be
Now I'm feelin the highs and your feelin the lows
The beat start gettin into your soul
You start snappin your fingers and stompin your feet
And moving your body to the shore shot beat
And then DAMN! You start doin the freak
I mean DAMN! Right outta your seat
And then you throw your hands high in the air
Your rockin to the beat and shake your derriere
Your rockin to the beat without any care
Because the shore shot MCs for the affair
Now I'm not as tall as the rest of the gang
But I rap to the beat just the same
I gotta slim face and the bear brown eyes
All I'm here to do ladies is hypnotize
I said a on and a on an on on an on

The beat don't stop till the break of dawn
I said a on and a on an on on an on
Like a hot butta pop ta pop to hibbe
Hibbe pop ta pop pop you don't dare stop
Come alive y'all and gimme what'chu got
[Redman]
Said a hip hop the hibbe to tha hibbe the hip hip a hop
You don't stop a rockin to the bang bang boogie
Say up jump the boogie to the rhythm of the boogety
beat
Skippity we bopp a we rock a scooby doo
A guess what america we love you
Cus you rock & you roll with a so much soul
You could rock till ya 101 years old
I don't mean to brag I don't mean to post
But Def Squads like butter on ya breakfast toast
A rock it out a baby bubba a baby bubba to the boogety
Bang bang the boogie to the beat beat
So unique come on everybody
Let's dance to the beat
