i know by Def Value  
I know a girl  
She's much younger  
But she's givin' me  
All the love I need

The way we talk  
The way we're fightin'  
Still she gets out  
The best part of me

I know a man  
He's my father  
Never can I do  
What he did for me

Caus' he is great  
He is magic  
And I hope to become  
Just like him...

I know a girl  
She's my mother  
No-one is so caring  
For me

And yes she's great  
More than magic  
A better mom  
I could never get

I know a girl  
And she's expecting  
A child  
Hopefully as great as her

Because she's great  
She's fuckin' magic  
To raise a child  
In hard times like these

I drink to them yeah  
A toast to them yeah  
I drink to them yeah  
A toast to them yeah

So don't you ever mess  
With my father, my mother, my family  
Don't you ever take away  
My dignity  
So don't you ever mess  
With my boyfriend, my girlfriend, my family  
Don't you ever take away, MY LIBERTY!!!

I drink to them yeah  
A toast to them yeah  
I drink to them yeah  
A toast to them yeah
