single white female by Def Value
Yesterday, I slept with a single white female,
Yesterday, I dreamt about her, the whole day
But now I'm having guilty, guilty, feelings
And the pain that I feel, is like blood,
drippin' off my ceiling
Oh God believe me-e-e-eh
Tomorrow, I'll be sleepin' in my dreams
with that single white female
Tomorrow, I'm sure, I'll masturbate the whole day
But now I'm having guilty, guilty feelings
And the pain that I feel, is like blood,
drippin' off my ceiling
Oh God believe me-e-e-eh
I don't wanna' feel
I just wanna' be in your arms oh pretty baby!
I don't wanna' heal
I just wanna be inside you oh pretty baby!
Yesterday, I slept, with a single white female,
