We ball and we parlay

I told ya this time

(Big Moe)

We melt them trays yea hit it in the six
That purple stuff wit a cup of the mix
That sounded so throwed and believe it so throwed
I can't believe it's so slow
(Trademark)
Windows closed cruise control wit some lil doe
Bout to loose her clothes there she go
Hoe tripping again she pancaked I flipped 8
And let me flip her again
Its been a long, long time coming
But it wont be a long time for long huh

(Bridge:Big Moe)
Everytime I come around what do I see?
I see ghetto dreams coming true
Everytime I'm coming down on things
Top down everyday got to ball and parlay

(chorus)

(Big Moe)
Throw a duece when you see me Big Meezy
I make the game look easy sit up on my grind
Stay up on my toes slip-slipped out the do'
Frosty so cold like it's deep in southpole

(Bridge)
(Chorus)

(Billy Crook)
