Human Sanity Extremely Weak This World Of
Deprivation Breeding Sexual Disorder.
A Gruesome Fetish Of The Absurd Arising From The
Underground Victims Hoping To Be Released By
Getting Their Bodies Devoured.
Cannibalistic Agreement Reached Behind Locked
Doors Of Advanced Technology.
Hands And Legs Tied Knives Prepared For Severing
Limbs Slowly... Consume... Genitals Removed Carved
Up Fingers And Toes Gore And Skin Remnants On His
Cheek Realizing Illusion Of Cathat'sis As Your Suffering
Grows Unbearable.
Last Thing To Witness Torturers Carnivorous Lust Who
Now Dines on Every Piece Of Your Dead Body.
