Destitute and unwanted\*  
Departing from asylum  
Lost souls collected to be  
Used for the industry

Violent sex, treated like a piece of meat  
Gagged while beaten, tape keeps rolling  
Painful price to pay to stay of the streets  
Morbid career initiated

Explicit cinematography addiction  
Desperate for murder  
(The affluent finance) acts of the sick

Countless victims vanishing  
Slaughtered in blue light  
Profit from atrocity

Lacerations inflicted intentionally  
Shaping the victims to perfect design  
Acidic corrosions all over the body  
Aesthetic preparations upon demand

Laying limbless, crippled and writhing  
Mouth fixed open, jawbone shattered  
Carcass previously slaughtered  
Hung and emptied over your face  
Tasting the putridity  
Stimulates vomiting reflex  
Repeated cycle of regurgitation  
Til asphyxiation ends your life

Define authenticity  
So glad to see tears in their eyes  
Virtuosity of cruelty unseen before  
Satisfied customers craving more

Awaking, drugged, bound and gagged  
Strapped onto the table  
Mutilated with the hacksaw  
Narcotic unstable

Yet the dosage kept high enough  
Preventing the victims to pass out  
Engulfed, you're forced to watch  
Vast portions of your flesh slowly being stripped

Orgies  
Of death  
Will continue  
(While) tape keeps rolling
