It's more than a wish, more than a daydream
More than just a passing whim
Yes, I've said this all before
A thousand times or more
I don't wanna waste my life in chains of sin

CHORUS

I don't wanna be, I don't wanna be a casual Christian
I don't wanna live, I don't wanna live a lukewarm life
But I wanna light up the night
With an everlasting light
I don't wanna live the casual Christian life

This life is filled with strong distractions
With pulls from the left one from the right
I've already made up my mind
Gonna leave this world behind
Gonna live my life a living sacrifice.
