

Degarmo And Key "Everlasting Love"

Visit "[Everlasting Love](#)" on MotoLyrics.com

When tender hearts hold broken dreams,
Somehow You use broken things,
To teach those tender hearts to sing,
Of everlasting love.

When all around is cold & gray,
The ice soon melts, the gray soon fades,
Your Spirit takes them all away,
In everlasting love.

I can't repay your love,
That's understood.
I'll try each day, my Lord,
To do all I know I should.

When days are filled with trials and tests,
You turn those troubled times to rest,
Through it all my life is blessed,
With everlasting love.
