Words of a carpenter preacher
Promises of lasting love
Opening windows to heaven
And a Father above

Never a syllable wasted
Each and every promise was true
Every commandment He spoke of
He proceeded to do

He was a Man of His word
He was a Man of His word
He was a Man of His word
Man of His word

Words are on millions pages
Written in stone and in sand
Spoken by prophets and sages
All over this land
All over this land

He was a Man of His word
He was a Man of His word
He was a Man of His word
Man of His word

Blessed is the man who swears to his own hurt
Do what you say be a man of your word

He that obeys will be holy
He that believes will obey
Say what you mean but remember
To do what you say

So be a man of your word
So be a man of your word
So be a man of your word
Man of your word

So be a man of His word
So be a man of His word

So be a man of His word
Man of His word
