i don't want to hurt nobody
it's just that i know i've had enough
there's too much pain and hatred
i think i'd rather be dead
than to live without mercy, hope or love

so don't come any closer, i really mean it
yes i know you think i've lost my mind
my gun's here and i'll use it
and this time i'm gonna really lose it
listed as a teenage suicide

i can see you out there all around me
but it's too late to talk it out this time
i don't want to shoot you
i'll do what i have to do
listed as a teenage suicide

i don't think i can take it
i give you my heart to break it
listed as a teenage suicide

it could've been me
out there in the moonlight screaming
it could've been me
in a search for everlasting meaning
but i found all the pieces
deep within the arms of Jesus
it could've been me
out there in the night oh
till Jesus changed my life
ooh changed my life
