You will not be answered  
The question lies within  
Timeline has been pushed  
To the edge of eternity

There's no way to escape  
From the past no way  
To get out

Deliver it to them,  
There's no complain  
Deliver it to them  
There's no complain

Nothing has been changed  
Since the day that you were born  
It's the resemblance of the past

There's no way to escape  
From the past no way  
To get out

Deliver it to them,  
There's no complain  
Deliver it to them  
There's no complain

The chance of joy has disappeared  
Time has given in

The days are labelled with no return  
To an organized and normal world  
The chance of joy has disappeared  
Time has given in

Deliver it to them,  
There's no complain  
Deliver it to them  
There's no complain

There is nothing, nothing in this world that could stop  
this
