There's a time for love and a time for healing
Can't go back and undo what's been done
Word of mouth, time is revealing
Just how far we've let this kindgom come
Hand in hand we're finding our way
And today is just tomorrow's yesterday

*)Some would die for you, some will lie to you
There's all kinds of people in this world
Turn the world around, tear the bordres down
There's all kinds of people in this world

The kiss of life and the hand of fate
The boy grows up into this father's son
And he learns to love, has been taught to hate
To carry on the way it has been done
All our lives it's debts to repay
Maybe someday we can put the past away

*) repeat

**) Some would die for you, some will lie to you
There's all kinds of polple in this world
Put your fear away find a better way
There's all kinds of people in this world

Underneath a broken sky
Love will heal the pain inside
In a moment things can change
One look behind and it's never the same

*) repeat

**) repeat
