oh.. oh..
nananana...

Don't you wanna stay
(don't you wanna stay)
ohhhhhhh.....
(don't you wanna stay)
oh.. oh..
(ohhhhhh.....)

Don't you wanna
stay and share the
joy we have inside
I know you think that
I'm just taking
you for a ride

but baby, take a look at me
(take a look at me)
can't you see that
i'm in love wth you
don't you ever go
oh no
I want you here by me

Chorus:

Baby Stay I want you
here by me
don't you ever go
(don't you ever go)
your love is all I need

Baby stay I give you
all the lovin' that you need
don't you ever go
(don't you ever go)
oh ohh..
I want you here by me

oh yeah

nanana...

I saw you pack your bags
and put them outside
I guess your leavin' me
but I don't wanna
say goodbye

but if you
ever change your mind
(ever change your mind)
I know I'm hurtin'
and I always know
but I will never change
(change..)
oh no..
I want you here by me

(Repeat Chorus)

Time after time
we rise and we found
I still believe our
love will conquer it all

know this my love
know this my love
this still care

(repeat chorus till fade)
