Never leave you, baby
Whether times are good or bad
Or happy or sad

I, I am so in love with you
Whatever you want to do
Is alright with me
'Cause you make me feel so brand new
And I want to spend my life with you

Let me say it seems
Baby, since we've been together
Loving you forever
Is what I need
Let me be the one
You come running to
I'll never be untire

Oh, Baby
Let's, let's stay together
Loving you whether
Whether times are good or bad
Or happy or sad

Tell me why somebody, why the people break up, no
And turn around and make up
I just came to see
'Cause you'd never do that to me
Being around you is all I see

My Baby
Let's, let's stay together
Loving you whether
Whether times are good or bad
Or happy or sad

My love, never leave me, never leave me darlin'
Whether times are good or bad
Or happy or sad

Let's, let's stay together, baby, baby my love
I will love you whether

Whether times are good or bad
Or happy or sad

Let's, let's stay together, baby
I will love you forever and whether
Whether times are good or bad..... (fade out)
