I know she's gonna be surprised  
Sometimes this key gets stuck in the lock  
Oh no, she changed the lock on the door

Yes? who is it?  
Star, it's Kirk  
I wanna talk, will you let me in?

Kirk, what do you wanna talk to me about?

All I need is about 10 minutes of your time.

Listen, we really don't have anything to talk about.?

Alright, alright, just hear me out, just this once.

I may not be the man  
That I wanna be  
But I'm sure not the man  
That I used to be

You see I changed my way  
Turned my life around  
Girl I'll never give you up  
Give me one more chance

Let's get down to some real good lovin'  
Come on girl,  
Let's get down to some real good lovin'  
All night long  
Let's get down to some real good lovin'  
Come on baby  
Let's get down to some real good lovin'  
All night long, all night

Ohhh, we can be together, yeah  
Sometime, all night long  
All night, oooh, we can be together, baby  
Sometime, yeah, all night long, you and me

Huh, yo this is deja vu  
You're coming in and out of my life

Look all I wanted to do is just...

No, no no no no no no  
Wait a minute  
Before you left the last time  
You never gave me a chance to tell ya how I felt  
So now you check this out

You know I heard that line a million times before  
And I really don't want to hear it from you any more  
Because I made up my mind  
To find me someone new  
Who will appreciate my love  
A whole lot more than you

You don't' know how to treat my lovin'  
Why did you have to come back  
You don't' know how to treat my lovin'  
Broke my heart, you broke my heart  
You don't' know how to treat my lovin'  
What made you wanna come back, baby  
You don't' know how to treat good lovin'  
Broke my heart, you broke my heart, yeah

All night, sometime, all night long  
I've got to find me someone who  
So fine, all night, sometime

[BRIDGE]

All night, oohhhh, we could be together baby  
Sometime, all night long  
All night, give me a chance  
Sometime, all night long

Now I don't blame you, girl  
For not believin' me  
But it sure would be nice  
If you start forgivin' me

That is? to forgive  
But I can't forget  
I'm tired of all your promises  
And you haven't kept one yet, oh no

You don't' know how to treat my lovin'  
You don't' know how to treat my lovin'  
You don't' know how to treat good lovin'  
You don't' know how to treat good lovin'  
You broke my heart, yeah

All night, sometime, all night long  
All night, I've got to find me someone new  
Woahh yeah  
We could be together baby  
Sometime, all night long
