I've been thinking about leaving this town  
Saying goodbye to Caroline Bay  
Since you left me how can I be happy here  
I've gotta go away  
So I get in my car pointing it north  
Heading straight up state highway one  
Maybe tomorrow I'll come round but for now I'm leaving  
town  
Today tomorrow Timaru  
That's where I met you  
Today tomorrow Timaru  
That's where I left you  
Pack up the kids pack up the car pack up my dreams  
I'm leaving you  
Say goodbye to Timaru Caroline Bay radio Caroline  
Today tomorrow Timaru  
That's where I left you
