When you left me,
You never said goodbye.
Nobody told me,
The reason why.
And when you left me,
A little part of me died.
Would you think less of me now
If I broke down and cried?

Nothing they give me
Will take away this pain
I drunk myself stupid
Again and again and again and again.
And all of my days,
And nights they end the same:
I go to bed happy,
And wake up in pain!

I'm lonely baby,
Why'd you have to go?
I'm lonely without you (Tracy!)
Can't live without you (Tracy!)
Don't wanna make it on my own
I'm nothin without you (Tracy!)
Go nowhere without you (Tracy!)
Don't wanna live if I'm alone

Well the smile on your face,
Will never be replaced
I'll be grim forever more.

(Solo)

I'm lonely baby,
Why'd you have to go?
I'm lonely without you (Tracy!)
Can't live without you (Tracy!)
Don't wanna make it on my own
I'm nothin without you (Tracy!)
Go nowhere without you (Tracy!)
Don't wanna live if I'm alone.

Well the smile on your face,
Will never be replaced
I'll be grim forever more.

When you left me,
You never said goodbye.
Nobody told me,
The reason why.

I'm lonely without you (Tracy!)
Can't live without you (Tracy!)
Don't wanna make it on my own
I'm nothin without you (Tracy!)
Go nowhere without you (Tracy!)
Don't wanna live if I'm alone.

Well the smile on your face,
Will never be replaced
And all the things that people do
And say from day to day
They seem so meaningless to me
Since you were taken away
My life is grim and lame and sore
And you'll be dead now forever more.
