(Wait for Piano to stop)  
How can you just walk away from me?  
When all I can do is watch you leave?  
Cause we share the laughter and the pain  
We even share the tears  
Your the only one, who really knew me the most  
So take a look at me now  
No distance to let you face  
And your coming back to me  
It's against the odds  
And that's why I gotta playyyyyy  
I wish I could just make you turn around

Turn around and see me cry  
There's so much I need to say to you  
So many reasons why  
Your the only one, who really knew me the most  
So take a look at me now, no distance to let you face  
And there's nothing left here to remind me, just the  
memory of your face  
Take a good look at me now, just still be standing here  
And your coming back to me, it's against all odds  
It's the chance I gotta take
