(Wait for Piano to stop)

How can you just walk away from me?

When all I can do is watch you leave?

Cause we share the laughter and the pain

We even share the tears

You're the only one, who really knew me the most

So take a look at me now

No distance to let you face

And your coming back to me

It's against the odds

And that's why I gotta playyyyyyy

I wish I could just make you turn around

Turn around and see me cry

There's so much I need to say to you

So many reasons why

You're the only one, who really knew me the most

So take a look at me now, no distance to let you face

And there's nothing left here to remind me, just the
memory of your face

Take a good look at me now, just still be standing here

And your coming back to me, it's against all odds

It's the chance I gotta take
