John's in love with Joan
Joan's in love with Jim
Jim's in love with someone
Who's not in love with him

What was meant to be, must be
C'est la vie, c'est la vie

Life's a funny thing
When it comes to love
You don't always conquer
The one you're dreaming of

As they say in old Paree
C'est la vie, c'est la vie

Those who fall in love agree
It's the unsolved mystery
If your big romance cannot be
You'll find someone new, cherie

There goes happy Jay
He's the reason why
She just found a sweetheart
But no one's gonna cry

Though she stole his love from me
C'est la vie, c'est la vie
C'est la vie
