Children, we all went the zoo yesterday  
Now what did we all learn there  
Beatrice (uh)

A buzzard took a monkey for  
A ride in the air (Beatrice)  
The monkey thought that everything  
Was on the square (Beatrice)

The buzzard tried to throw  
The monkey off his back  
But the monkey grabbed his neck  
And said, now listen, Jack

Straighten up and fly right (class)  
Straighten up and fly right (class)  
Straighten up and fly right (class)  
Cool down, teacher  
Don't you flip your wig

What's the use of diving  
What's the use of diving  
(Bertha) cool down, teacher  
Don't you flip your wig

The buzzard told the monkey  
You're choking me  
Release your hold  
And I'll set you free

The monkey looked the buzzard  
Right dead in the eye and said  
Your story's so touching  
It sounds like a lie, lie, lie, lie, lie

Straighten up and fly right (class)  
Straighten up and stay right (class)  
Straighten up and fly right  
Cool down, teacher  
Don't you flip your wig

Oh, my, the class will have to come to order

Oh, what's happened to my nice class  
Class, you'll have to come to order  
(Come on, teacher, you try one) me

The buzzard told the monkey  
You are choking me  
Release your hold  
And I' will set you free

The monkey looked the buzzard  
Right dead in the eye and said  
Oh, my, I think I really flipped my wig

Straighten up and fly right  
Straighten up and stay right  
Straighten up and fly right  
Ooh, ha, teacher really flipped her wig

Oh, my, class dismissed  
Class dismissed, oh, my

Ooo-ee-oo-ah-ah  
Ting tang walla walla wing wang
