Time can never mend
The careless whisper of a good friend
To the heart in mind, ignorance is kind
But there's no comfort in the truth, pain is all you'll find

I feel so unsure as you take my hand
And lead me to the dance floor
As the music dies, something in your eyes
Calls to mind a silver screen and all it's sad goodbye

[Chorus:]
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're your not a fool

Should have known better than to cheat a friend
Wasted chance that I've been given
So I'm never gonna dance again
The way I dance with you

Should've known better, yeah

Tonight the music seems so loud
I wish that we could lose this crowd
But maybe it's better this way
We'd hurt each other with the things we want to say

We could have been so good together
We could have lived this dance forever
But now who's gonna dance with me
Please dance

[Chorus:]
I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're your not a fool

Should have known better than to cheat a friend
Wasted chance that I've been given
So I'm never gonna dance again

The way I dance with you

Now that you're gone
Why'd you have to leave me alone?
Mostly none
We lose this crowd

We could have been so good together
We could have lived this dance forever
