Yeah-Yeah, Yeah, grab the pump pump
(Yeah) It's on we 'bout ta thump thump...
... aiyo aiyo my left eye jump, I feel bad luck upon me
Make me grab my pump and call my Brook-Lyn army
We by Q.B. and N.C. - niggaz don't want it
Debate ta the G's and the west all on it
We all flaunt it, guns and chicks
And, all my dunns rhyme hold'ng they dicks
Wit' a.9 on they side from hip ta hip
You know the +Mobb Niggaz+ is sick and stay bent
Twisted, get right, me and my guns is tight
And we both heated when the funds aint right
Because we know someone gett'ng stuck tonight
Before I crash I'ma fucks me some ass tonight
Wit' a pocket full of dough and bottle of that 'dro
Wit' dreams of fuck'ng some R&B hoe
They call me N.o.y.d. baby, from Q.B.
Baby don't hate me, We live, I rep...

[Hook x2: Godfather (Big Noyd)]

Ya niggaz front'ng, y'all don't really want it
You know who I be, Noyd from Q.B.
