I don't know why I love you but I do  
I don't know why I cry so but I do  
I only know I'm lonely and that I want you only  
I don't know why I love you but I do

Well I can't sleep nights because I'm restless  
And I don't know what to do I feel so helpless  
And since you've been away I cry both night and day  
I don't know why I love you but I do

Well my nights have been so lonely my days have been  
so blue  
I don't know how I stand it but I do  
Each night I sit alone I tell myself  
That I would fall in love with someone else  
Well I guess I'm wasting time but I've got to clear my  
mind  
I don't know why I love you but I do

Well I guess I'm wasting time...
