Down in the boondocks down in the boondocks  
People put me down cause that's the side of town I was  
born in  
I love her she loves me but I don't fit in her society  
Lord have mercy on the boy from down in the  
boondocks

Well every night I watch the lights from the house up on  
the hill  
I love a girl who lives up there and I guess I always will  
I don't dare knock on her door her daddy is my boss  
man  
I wait to try to be content just to see her wherever I can

Down in the boondocks...  
[ guitar - steel ]  
One find day I'll find a way to move from this old shack  
Hold my head up like a king and never never never go  
back  
Until that day I'll work and slave and I'll save every  
dime  
But tonight she'll have to steal away to see me one  
more time

Down in the boondocks...  
Lord have mercy on the boy from down in the  
boondocks  
Lord have mercy on the boy from down in the  
boondocks
