I ain't broke but I'm badly bent  
I had a little money but that's all been spent  
When I look back I wonder where it went  
It ain't no joke I ain't broke but I'm badly bent

I went to see a so-called friends  
To get a little help for the tie I was in  
I said I'll pay you back someday when my rich uncle  
passes away  
But he looked at me kinda foolishly and then he had  
these words to say

He said I ain't broke but I'm badly bent...

Then I called my true love on the phone  
The one I spent my last dollar on  
I said I'll pay you back someday when my rich uncle  
passes away  
But she said I'm through with the likes of you  
And she had a quite few more words to say

She said I ain't broke but I'm badly bent...  
It ain't no joke I ain't broke but I'm badly bent
