"Less Of Me"

Let me be a little kinder let me be a little blinder
To the faults of those about me let me praise a little
more
Let me be when I am weary just a little bit more cheery
Think a little more of others and a little less of me
[guitar]
Let me be a little braver when temptation bids me
waver
Let me strive a little harder to be all that I should be
Let me be a little meeker with the brother that is weaker
Let me think a little more of others and a little less of
me
[piano]
Let me be when I am weary just a little bit more cheery
Let me serve a little better those that I am striving for
Let me be a little meeker with the brother that is weaker
Think a little more of others and a little less of me
