"Lover's Question"

Does she love me with all her heart should I worry when
we're apart
It's a lover's question I'd like to know
Does she need me like she pretends is this a game will
I win
It's a lover's question I'd like to know

I'd like to know when she's not with me is she still true
to me
I'd like to know when we're kissing
Does she feel just what I feel and how am I to know it's
really real

Oh tell me where that answer lies in her kiss or in her
eyes
It's a lover's question I'd like to know

Does she need me like she pretends...
I'd like to know when she's not with me...
Oh tell me where that answer lies...
