I was going your way and it was plain to see you were  
going mine  
We were both searching for a way to leave some old  
memories behind  
Somebody broke my heart and I could tell somebody  
let you down  
We were two lonely people two lonely people on the  
rebound

You cried on my shoulder for a while then we turned it  
around  
I told you about her I told you about him then we found  
then we found  
Just like the sun left yesterday and finally went down  
The old love is gone and a new love was born on the  
rebound

We were brought together each looking for an  
understanding smile  
Someone to just talk to and sit and reminisce for a  
while  
We picked up the places like scattered yesterdays on  
the ground  
Yes we found each other two lonely people on the  
rebound

You cried on my shoulder...  
The old love is gone and a new love was born on the  
rebound
