*ONE BUM TOWN
DEL REEVES

The old census taker bans my name from this town's
population
Misfit ain't to the word I'd use to fit my situation
My predicaments known to every bum for miles around
It's my misfortune to be fortunate bummin' and in a
one bum town

Since I cannot afford a cup I've been sticking out my
hand
You should see that things I get safety pins and rubber
bands
It's so embarrassing 'cause my homemade sunglasses
keep falling down
Somebody up there has got it in for me bummin' in a
one bum town

We'll Sheriff Brown has passed a law that prohibits all
givin'
But one stop sign gives tourists time to help me make a
livin'
Ballpoint pens have forced me to close my pencil
business down
The side cops take turns walking up and down the
sides
Bummin' in a one bum town
