Well I pulled out of Pittsburgh a rollin' down that
Eastern Sea board
I got my diesel wound up and she's runnin' like a never
before
There's a speed zone ahead alright I don't see a cop in
sight
Six days on the road and I'm a gonna make it home
tonight

I got ten forward gears and George overdrive
Taking little white pills and my eyes are open wide
I just passed a Jimmy in white I been passin' everything
in sight
Six days on the road and I'm a gonna make it home
tonight

Well that ICC is checkin' on down the line
Well I'm a little overweight and my log book's way
behind
But nothin' bothers me tonight I could dodge all the
scales alright
Six days on the road and I'm a gonna make it home
tonight

Well it seems like a month since I kissed my baby
goodbye
I could have a lotta women but I'm not like some other
guys
I could find one to hold me tight I could never make
believe it's alright
Six days on the road and I'm a gonna make it home
tonight

Oh my rig's a little old but that don't mean she's slow
There's a flame from my stack and she's a blowin'
black as coal
My hometown's a comin' in sight if you think I'm a
happy you're right
Six days on the road and I'm a gonna make it home
tonight
