I'm like a cloud driftin' from town to town
Each new love just helps me on my way
No one woman's ever gonna tie me down
When one gets too close I just back up and say

Well I gotta be walkin' on new grass singin' a new song
Tomorrow there's no tellin' where I'll be
But I'll be walkin' on new grass singin' a new song
The next time up the road keeps callin' me

I'm warnin' you don't fall in love with me
I don't plan on being here too long
You're just a leaf caught in a playfull breeze
I'll carry you a while then I'll be movin' on

Yeah I'll be walkin' on new grass...
Doodle doodle doodle do do doo

I won't take roots I never stay that long
And a bad seed just won't grow anyway
This rolling stone don't want to gather no moss
So when the grass starts to grow then I'll be on my way

Then I'll be walkin' on new grass...
