Well I love you with a love that's true
Baby can't you see I do, for I love you
Well I need your lovin' all the time
Baby say that you'll be mine, 'cause I love you
Hmm, you know I do
Well I need your lovin' every day and night
Without it baby there's nothing right
I don't know what I'm gonna do
Well if you leave me I'll be blue
I love you with all my heart
Tell me that we'll never part, 'cause I love you
Hmm, you know I do

Well I came to see why don't you care
For the love that's being there, oh I love you
Well I loved you for so long
Baby don't you do me wrong, 'cause I love you, mmm
Well I need your lovin' every day and night
Without it baby there's nothing right
I don't know what I'm gonna do
Well if you leave me I'll be blue
I love you with all my heart
Tel] me that we'll never part, 'cause I love you
Hmm, you know I do
Mmm, you know it's true
Ooh, I love you
Baby, I love you, I love you
Yes I love you
