Bimbo is a little boy who's got a million friends
And every time he passed by, they all invite him in
He'll clap his hands and sing and dance and talk his
baby talk
With a hole in his pants and his knees stickin' out
He's just big enough to walk

Bimbo, Bimbo, candy on your face-e-o
Bimbo, Bimbo, chewin' on your gum-e-o
Bimbo, Bimbo, when you gonna grow?
Everybody loves your little bitty, Bimbo

Bimbo's got two big blue eyes that light up like the
stars
And the only way to light them up is to buy him candy
bars
Crackerjacks and bubble gum will start his day off right
All the girlies follow him just a begging for a bite

Bimbo, Bimbo, candy on your face-e-o
Bimbo, Bimbo, chewin' on your gum-e-o
Bimbo, Bimbo, when you gonna grow?
Everybody loves your little bitty Bimbo

You never catch him sittin' still, he's just the rovin' kind
Although he's just a little boy, he's got a grown up mind
He's always got a shaggy dog a pullin' out his clothes
And everybody called to him as down his feenie goes

Bimbo, Bimbo, candy on your face-e-o
Bimbo, Bimbo, chewin' on your gum-e-o
Bimbo, Bimbo, when you gonna grow?
Everybody loves your little bitty Bimbo

Bimbo, Bimbo, Bimbo
Bimbo, Bimbo, Bimbo, Bimbo
