"Bottle Let Me Down"

Each night I leave the barroom when it's over
Not feeling any pain at closin' time
But tonight your memory found me much too sober
Couldn't drink enough to keep you off my mind

Tonight the bottle let me down
And let your memory come around
The one true friend I thought I'd found
Tonight the bottle let me down

I've always had a bottle I could turn to
And lately I've been turning everyday
But the wine don't take effect the way it used to
And I'm hurtin' in an old familiar way

Tonight the bottle let me down
And let your memory come around
The one true friend I thought I'd found
Tonight the bottle let me down
Tonight the bottle let me down
