It's good to touch the green, green grass of home

The old hometown looks the same  
As I step down from the train  
And there to meet me is my mama and papa

And down the road I look and there runs Mary  
Hair of gold and lips like cherries  
It's good to touch the green green grass of home

Yes they'll all come to meet me  
Arms a reaching smiling sweetly  
It's so good to touch the green, green grass of home  
The old house is still standing  
Though the paint is cracked and dry

And there's that old oak tree that I used to play on  
Down the lane I walk with my sweet Mary  
Hair of gold and lips like cherries  
It's good to touch the green, green grass of home

Then I awake and look around me  
At the gray walls that surround me  
And I realize that I was only dreaming  
There's a guard and there's that sad old padre

Arm in arm we'll walk at daybreak  
And again I'll touch the green, green grass of home  
Yes they'll all come to see me in the shade of that old  
oak tree  
As they lay me neath the green, green grass of home
