"Let Your Love Flow"

There's a reason for the sunshine in the sky
There's a reason why I'm feeling so high
Must be the season when that love light shines all
around us

So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the moonlit night with
your lover

Let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season, it's the season

Let your love fly like a bird on the wing
Let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason

There's a reason for the warm sweet nights
And there's a reason for the candle lights
Must be the season when those love rites shine all
around us

So let the wonder take you into space
And lay you under its lovin' embrace
Just feel the thunder as it warms your face, you can't
hold back

Let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season, it's the season

Let your love fly like a bird on the wing
Let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason, that's the reason

Let your love flow like a mountain stream
And let your love grow with the smallest of dreams

And let your love show and you'll know what I mean
It's the season, it's the season

Let your love fly like a bird on the wing
Let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason
