Mhm mhm one more round of gin and I'll be cheatin'
again

This woman in my arms the one that I've been dancing
with
She don't belong to me but I've enjoyed a holding her
like this
I should go on home I don't have no business deal in
here
But I can't put away I'm caught up in this smoky
atmosphere

Mhm mhm one more round of gin and I'll be cheatin'
again

Body close to mine dancing to a slow moving song
I can smell the perfume mixing with this sickin' in my
bones

She's looking in my eyes givin' me a warm silence stare
I've almost got the courage to have to step away and
go somewhere

Mhm mhm one more round of gin and I'll be cheatin'
again
Mhm mhm one more round of gin and I'll be cheatin'
again
