There goes my only possession  
There goes my everything

I hear footsteps slowly walking  
As they gently walk across a lonely floor  
And a voice is softly saying  
Darling, this will be goodbye forever more

There goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything

As my mem'ries turn back the pages  
I can see the happy years we had before  
Now the love that kept this old heart beating  
Has been shattered by the closing of a door

There goes my reason for living  
There goes the one of my dreams  
There goes my only possession  
There goes my everything
