I'M A FATHER TOO - DEL WAY

I remember well the day, when I heard the doctor say
It's A Boy, I Was So Glad, Years to Come Brought
Special Times
Must've learned every nursery rhyme,
And I won't forget, when he called me dad,
Fatherhoods such a glorious thing
When you begin to feel the bond between
Your child and you, then I heard God speak from up
above
Said I understand that kind of love because you see
I'm a father too

CHORUS:

I'm a father toooooo, and I long to beeeee, A father too
you
I'm a father too, I will see you through no matter what
you do
Should you stumble or fall, I'll be there when you call, I
love
You yes I do, "Cause I'm a father too

Two thousand years ago, I had a boy and I watched
him grow
And you know he looked just like me
He was my only begotten son, He was the only one that
I could send to set the captives free,
From Bethlehem to Galilee To the cross at Calvary, I've
Seen him laugh I've seen him cry, And on that dark and
cloudy
Day, On a hillside far away, I stood and watched my
little boy
Die

CHORUS:

I'm a father toooooo, and I long to beeeee, A father too
you
I'm a father too, I will see you through, no matter what

you do
Should you stumble or fall, I'll be there when you call, I
love
You yes I do, "Cause I'm a father too

And I gave my son for you, So I could be your father too
