#### VERSE 1:

I don't need swingin doors, a jukebox or a barstool  
I don't no longneck lonestar to get me high  
I don't need no Happy Hour, 'couse all my hours are  
happy  
Since I meet Jesus, I've control of my life

#### CHORUS:

And if I have a headache, it's gonna be Jesus  
And if I have a hang on, I gonna hang on to him  
And if I want to get high, I just pray in the spirit  
He takes me to heights I never been and he never let  
me down

#### SOLO

#### VERSE 2:

I don't care ? two-steps with the ladies  
And all the cold beer you can drink won't wash yours  
sins away  
The nightlights, not the good lights your wasted  
yourlife seeking  
No, freind Jesus. Jesus is the only way
