How does it feel when all you're counting on is
scatterbrained
Every wind that you have sailed upon, a hurricane
Every summer you have seen was filled with april rain
It doesn't get easy, don't you know

Fortune smiles on you
You're not watching, dig that hole deeper
Fortune smiles on you
You're not watching, create your own fate

Count your blessings and prepare to change your point
of view
All those days that you spend waiting won't come back
to you
Take off the glasses that have treated your world black
and grey
It doesn't get easy, don't you know

Fortune smiles on you
You're not watching, dig that hole deeper
Fortune smiles on you
You're not watching, create your own fate

It keeps raining, keeps raining, keeps raining

It keeps raining, 'Cause we are blind, keeps raining,
'cause we are tired, keeps raining, 'cause we are blind
to fortune's guidance now
It keeps raining, 'cause we are blind, it will keep
raining, 'cause we are tired
It keeps raining, 'cause we are blind oh, it will keep
raining 'cause we are tired

Fortune smiles on you
You're not watching, dig that hole deeper
Fortune smiles on you
You're not watching, create your own fate
